

LODGING INFORMATION

Covenant Harbor operates year round and offers a variety of facilities and accommodations to fit your group's needs. We distinguish our accommodation styles into "Geneva Bay Centre" and "Camp". Geneva Bay Center offers a hotel-like environment and all other facilities at Camp are dormitory style with bunk beds. Many groups utilize both Geneva Bay Centre and Camp during the same stay in effort to give participants pricing and amenity options.

Geneva Bay Centre bed maximum:	128
Camp winterized bed maximum:	236
Camp winterized and seasonal bed maximum:	362
Total Geneva Bay Centre and Camp bed maximum:	490

All buildings except Maple Commons and Kishwauketoe have a two-night minimum on the weekends. There are a few weekends that are flexible where one-night retreats are possible. Price varies by building and by time of year. Consult pricing sheets for rates. Photos are available on our website at www.covenantharbor.org.
